

Abrar Muthana Rakea

Frontend Developer

+9647831190254 | abraralrawi997@gmail.com | [Portfolio](#)

Profile

I'm a passionate and detail-oriented Frontend Developer with a strong foundation in web technologies like HTML, CSS, and JavaScript. With 1 year and 6 months of experience at Techboom and over three years as a self-taught developer and freelancer, I specialize in building responsive, user-centered websites and applications using modern frameworks such as React.js and Next.js. My focus is on creating seamless, intuitive user experiences that meet the needs of both clients and end users.

Experience

-Pily , Manila

- Developed a dynamic website builder's front-end using React.js, focusing on responsiveness and user-friendliness.
- Create components to different categories.
